Dear Harold, Mar. 21, 1995

I did take some notes on Hoax and when I get a chance to go over them I will let you know where insertions are misplaced. However, I pobably did not spot all of them. I skimmed those sections that I had already read in Case Open. Hopefully in the next couple weeks I will get a chance to do this.

Enclosed is a letter I received accepting a paper which Dennis MacDonald and I have been planning to write for some time. I believe Dennis pulled a few strings to get us on the program. So now we are under the gun to turn something out. But I don't anticipate this will be difficult. We have more than enough material from just the last couple months. And I am certain Never Again! will be a major source for the eventual paper. The conference will be in Wash. D.C. Aug.18-20th.

No further word from Loomis.

Take care,

Geny

P.S. Regards to Lillian. I will be thinking of her as I sit down to do our taxes during the next couple weeks

For my birthday Hanh-Trang surprised me with a copy of Marita Lorenz's tall tale of intrigue. Did you know she passed up a chance to blow away Fidel's private parts during one of their romantic escapades?
